Maison design house approaches mosaics with a sophistication bred of our cultivated mastery of ancient techniques, modern materials & production. Our distinctive and timeless style distinguishes our collections from the standard fare.

Antico

Antico is a collection of 12 Decors with coordinating 2" & 4" Borders & Decos. Each Decor is scaled at 18" repeats for backsplash application and large floor inlays. All Antico designs come in each of our *Modes*. Each *Mode* plays with material &/or dimension. The designs are traditional in style but our *Modes* add modern flair.

For even more variety select from our curated *Palette* & *Specialty Materials* to create combinations that transform the designs to satisfy any style.
