About

World of Colour

Pattern

**Maison**

Surface translates design influences from throughout the world and across time. Maison celebrates the artistic heritage of ancient & modern cultures. Exploring these sources for innovative patterns & techniques. Experimenting with style, form & colour. Maison's Palette of stones, specialty materials & proprietary finishes are ever expanding & evolving.

Maison designs for those who crave the exceptional.

- Exceptional style
- Exceptional durability
- Exceptional service

*please refer to the Specification guides & Maison Installation Instructions for more information*

**The Turn of the Century inspired design**

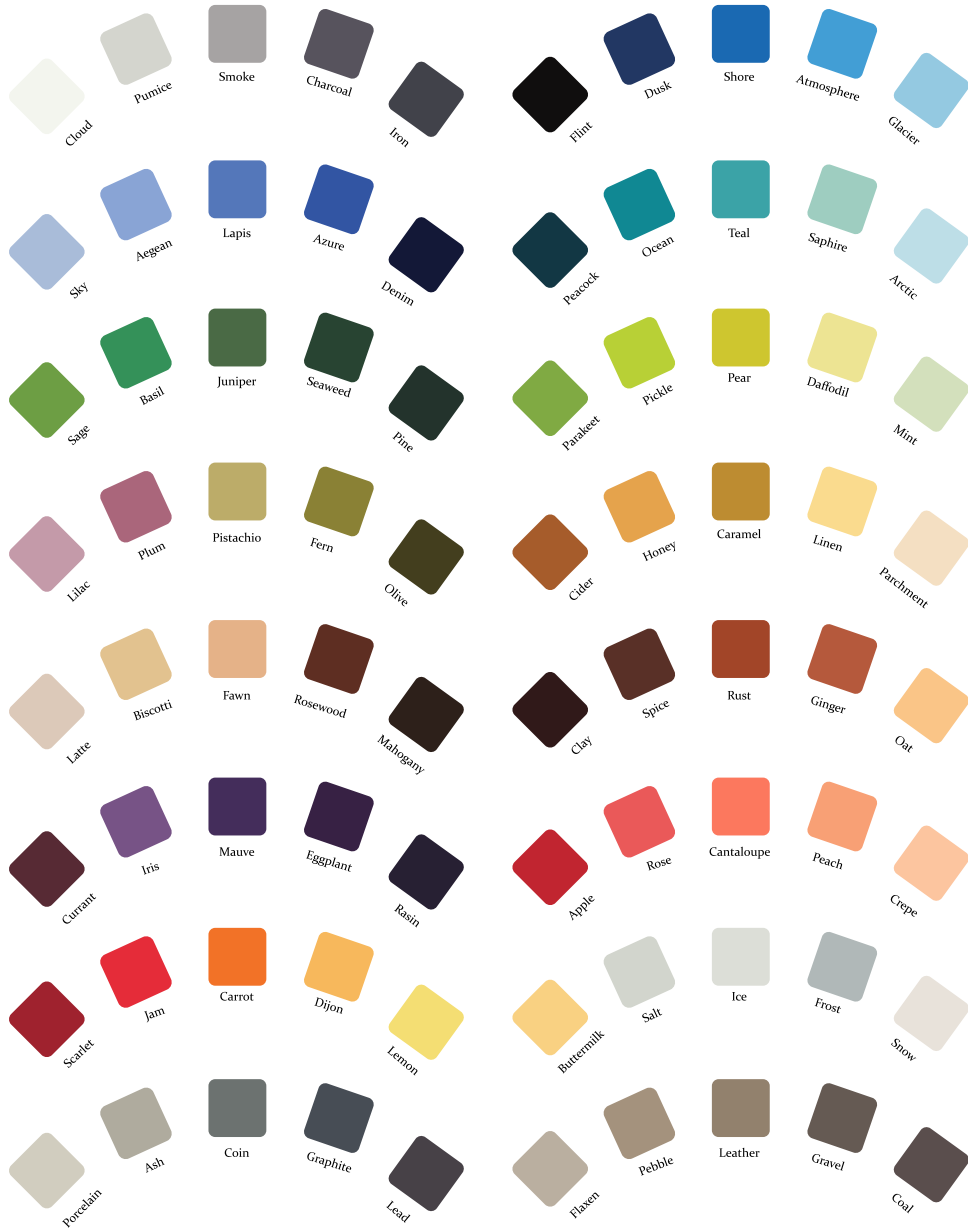

style of Geometro incorporates nostalgic micro glass hexagons into patterns echoing a distinct time & place. This standalone collection includes **12** patterns in **3** colorways. Understated yet elegant, the Classic line combines black, white, and gray. Evoking a rural spirit, the Country line incorporates cream, white, and gray.

Drawing on the sights and sounds of the seashore, the Coastal line blends 3 shades of blue with white.

All **3** Geometro options are available in stock.

# unlock the power of *Colour*

The World of Colour utilizes cast matte glass in 80 impact-full colours. Beyond the hexagon used for Geometro, explore all the shape offerings in our Cartel or on [maisonsurface.com](http://maisonsurface.com).

## Applications

Walls

Floors

Bath walls  
-steam

Bath floors

Exterior walls

Exterior floors  
-full submersion

## Specifications

lineal thermal expansion tested  
- mantel face and hearth. not approved for  
interior firebox.

Abrasion Resistant

Frost Resistant

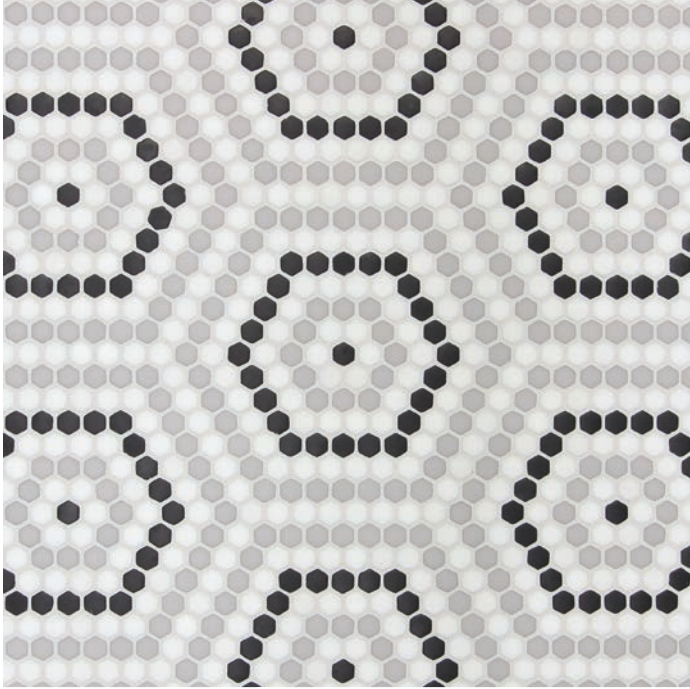

Chemical Resistant
