Maison design house approaches mosaics with a sophistication bred of our cultivated mastery of ancient technique, modern materials & production. Our distinctive and timeless style distinguishes our collections from the standard fare.

MEERO

Meero is a collection of 6 Facettes contemporary not only in material but in design. Our antique glass is stunning in clarity & textural range. A timeless material that can transform with light. **Meero** utilizes simple shapes uniquely arranged to create a complex pattern that can add a distinctive accent to any area, large or small.
